

CAROLE JOY SEID

HOW TO MAKE CHILDREN LOVERS OF BOOKS

Bio & Radio Interview History

Nationally-known speaker, and educational consultant, Carole Joy Seid, teaches on the subject of great literature and its impact on family culture and educational success.

Carole Joy Seid is a veteran homeschool mother, whose son has a master’s degree from Wheaton College. **She holds a B.A. in fine arts, a master’s degree in education and is a CPLC certified life coach.** She has experience teaching in preschool, elementary, and junior high classrooms in both public and Christian schools.

Carole believes that reading benefits children not only academically, but in terms of character development, problem solving skills, spiritual maturity, social intelligence and relationships. Thousands of families across the U.S. can attest to the power of her thoughtful, literature-based approach to life and learning.

As an expert in children’s literature with dynamic speaking abilities, Carole delivers an exciting interview that will keep your audience riveted. *Parents, grandparents, Sunday school teachers, librarians, and homeschooling families all find Carole’s message encouraging and educational.*

HOW TO MAKE CHILDREN LOVERS OF BOOKS

Topics of Discussion

Everyone has a child in their life — whether a daughter, nephew, grandchild, student, neighbor or an adult who is simply a child at heart. *Carole's heartfelt desire is to instill a love for books in children of all ages.*

Carole believes that reading benefits children not only academically, but in terms of character development, problem solving skills, spiritual maturity, social intelligence and relationships.

Possible discussion topics may include:

- 1 Books are for fun, not just for homework.
- 2 How to make children lovers of books.
- 3 The impact of a father reading to his children.
- 4 The importance of reading aloud for all ages.
- 5 Addressing the negative influence of media in childrens' lives.
- 6 Using the public library as an extension of your home.
- 7 Additional resources and book lists for the novice reader.
